

E-T-A circuit breaker 3120-F75N-H7T1-A20Q

| | |
|---------------|---------------------|
| Manufacturer: | E-T-A |
| Type: | 3120-F75N-H7T1-A20Q |
| Product no.: | 3120-F75N |
| Weight: | 0.050 |

■ Details

2-pole insert switch with 1-pole thermal overload protection.

■ Umstellung vom Lieferprogramm

Wir stellen unser Programm vom 3120-F75N auf the 2-pole protectedn 3120-F521 um.

Weitere nominal current finden Sie beim switch [3120-F521-P7T1-W01D](#)

■ Properties

- 2-pole off-switch
- With overcurrent protection **5,0 - 16.0 A** (refer to the table below)
- Optional with splash water proof cover IP54 (refer to accessories)
- Rocker switch with labelling 0-I
- Replacement for Weber Unimat WT 22-551 and WTN22-555 (refer to explanation)

■ Important while replacing a Weber Unimat WT 22-551 or WT 22-555

This E-T-A switch is a suitable replacement for Weber Unimat WT 22-551 and WT22-555 suitable:

- Switch with 4 connections P1, P2, 3, 4.
- Replacement for switch with 5 connections unter [E-T-A switch 3120-F554-G7T1-W04D](#).

■ Dimensions

| | |
|-----------------------------|---|
| Installation opening | 44.5 x 22 mm (clamping thickness 1-4 mm) |
| Collar (cover) | 48 x 25 mm without splash water proof cover |
| Collar (cover) | 60 x 34 mm with Splash water proof cover (optional) |
| Installation depth | 43 mm with connections |

■ Specifications

| | |
|-----------------------------|---|
| Nominal voltage | AC 240 V; DC 50 V |
| Overload protection | Refer to nominal current-Auswahl |
| Protection class | Operating area IP40, connecting area IP00 |
| Isolation | Im actuation element reinforced |
| Ambient temperature | -30 . +60 °C |
| Switch | 2-pole, 1-pole thermal protected |
| Approval | VDE, BV, CSA/UL, CCC |
| Installation | Snap-on frame |
| Connection | Flat plug 6.3 mm |
| Circuit breaker norm | EN 60934/IEC 60934: S-Typ, TO |

■ Typical areas of application

Electric motors, household and office appliances, power tools, power supplies, chargers.
Usable as a suitable replacement for **Weber Unimat** WT 22-551 or WT 22-555 (e.g. Kärcher
Hochdruckreiniger)
