

## Lids for Klinger & Born K700, K900, K3000

Manufacturer: Klinger & Born  
Type: 85004472  
Product no.: 85004000  
Weight: 0.020

### ■ Details

lockable flap for the switch series K700 and K900 from Klinger&Born. The flap is mounted instead of the splash water proof frame with 2 screws.

### ■ Important

**Only suitable for** switch panel 54x45mm. The measurement is taken on the frame of the housing, on which the flaps are mounted. Until about the year 2000 the frame was square.

### ■ No emergency stop function

By closing the flap, the red button will be actuated. The flap has no emergency stop function according to machinery directive.

### ■ Variations

- A: STOP-sign, vertical switch installation
- B: STOP-sign, horizontal switch installation
- C: emergency STOP-mushroom button: vertical switch installation
- D: emergency STOP-mushroom button: horizontal switch installation
