

Cam switch on/off

Manufacturer: Klinger & Born
Type: KB-N16-87300039
Product no.: 87300039
Weight: 0.690

■ Details

Universal usable cam switch for front installation

■ Properties

- 4-pole switching
- Switching capacity 16 or 25 A
- Lockable knob

■ Specifications

Switching capacity max.	87300039: 16 A / 7.5 kW 87300045: 25 A / 9 kW
Rated insulation voltage U_i	630 V~
Thermal nominal current I_{th}	25A / 32A
Max. Check fuse	25A / 32A
Protection class	IP65 (with axle seal)
Mounting position	Any
Mechanical lifetime	3×10^5 switching cycles
Electricallye lifetime	1×10^5 switching cycles
Ambient temperature open	-20°C . +50°C
Ambient temperature enclosed	-20°C . +40°C
Dimensions mounting holes	36 x 36mm
