

Cam switch reversing switch 16 A, 7,5 kW

Manufacturer: Klinger & Born
Type: KB-N16-87300046
Product no.: 87300046
Weight: 0.690

■ Details

Universal usable turning switch for front installation

■ Properties

- 3-pole switching
- Switching capacity 16 or 25 A
- With additional contact

■ Specifications

Switching capacity max.	87300046: 16 A / 7.5 kW 87300047: 25 A / 9 kW
Rated insulation voltage Ui	630 V~
Thermal nominal current Ith	25A / 32A
Max. Check fuse	25A / 32A
Protection class	IP65 (with axle seal)
Mounting position	Any
Mechanical lifetime	3x10 ⁵ switching cycles
Electricallye lifetime	1x10 ⁵ switching cycles
Ambient temperature open	-20°C . +50°C
Ambient temperature enclosed	-20°C . +40°C
Dimensions mounting holes	36 x 36mm
